WITHDRAWAL FROM SERVICES

I no longer want any services from the Child Support Services Division. Please stop processing child support payments for my case and close the case. I understand that if:

- (1) there is any child support debt to the State of Alaska, CSSD will continue to collect on behalf of the State;
- (2) the other case party applied for services, the case will not be closed unless he or she withdraws from services and;
- (3) the children have not emancipated, the child support order is still in effect. Even though CSSD is not collecting on the case, child support is still owed.

I understand that I may reopen my case by applying for services at some future date.

Names and birth dates of the child(ren) in my custody for whom I request withdrawal from services are:

_____ DOB _____	_____ DOB _____
_____ DOB _____	_____ DOB _____
_____ DOB _____	_____ DOB _____

Request made this _____ day of _____, 20_____.
